VISITING COACHING SLATE

VINCE LA PORTA ~ LAUKOA SANTOS

FORMER KCSA DIRECTOR KCSA ALUMNI AND
PROFESSIONAL COACH PROFESSIONAL FOOTBALLER!

Coach Vinny and Laukoa Santos are excited to return to Big Island and host the first ever 2023 Full Circle Clinic event for the community! Born and raised in Waikoloa Village, Laukoa Santos used Hooko Park as his training ground. Some say they can still see the 10x10 yd square of beaten down grass where he trained his skills. Coach Vinny, also in Waikoloa Village, brought KCSA from infancy to a platform where professional players can emerge, raw talent can be sculpted, and students of the game can excel in character and sport using his innovative coaching methods in vision training and soccer IQ development.

‘We are honored to come back to Big Island where it all started for us and share our experiences and passions with the soccer community. We thank and will give our absolute best of ourselves to honor as best we can all the coaches currently giving themselves to Big Island’s youth soccer community with passion and commitment. Come join us for this special Training Clinic event, the first ever Full Circle Player’s Clinic!
